

## **NHSA Convention Spring 2010**

### **Tentative Agenda & Schedule**

#### **Agenda:**

The NHSA Convention Spring 2010 will mark the second assembly of our member HSAs since the reestablishment of the organization in Connecticut, during March 2009 and it is going to be our Elections Convention for 2010. The convention will also give an opportunity for the many new member-HSAs to be represented and get acclimated in the NHSA workings.

After an exceptional Fall Convention hosted by the University of Michigan in Ann Arbor, the National Hellenic Student Association is holding its Spring Convention in conjunction with the 19<sup>th</sup> Hermes Expo International (Atlantic City, NJ) and the SAE Youth. Thus, it is a great opportunity for the NHSA Members to interact with other members of the Hellenic-American Youth, professionals and individuals with great contribution in their business, political and science fields.

Our main Convention goal is to elect our new Board that will maintain the progress and the coherence of the Organization and lead the NHSA to new levels of success.

However, as the chances for the NHSA Members to physically meet are few within each year, we are taking advantage of this opportunity to make our members aware of the economic and political situation in Greece and 1) discuss the current financial turmoil in Greece and 2) find ways to participate in our country's effort to present a common front through the student activities at American Universities.

#### **Schedule**

Saturday, April 24<sup>th</sup>
